

BUZZ

Doon Public School

Dear Parents, Greetings!

- This is to apprise you regarding the upcoming **Formative Assessment II** of classes **Jr. Nur. to II.**
- Under National Education Policy 2020, the National Curriculum Framework stresses that explicit tests and exams should be avoided at the foundational stage (preschool to Class 2) and that assessment methods should not stress on rote learning for the child. So in this regard, several changes are required in the assessment process of students at the school level.
- Keeping this in mind, from now onwards the formative assessment will be an ongoing continuous process, wherein the students will be assessed daily through various activities, practice work, games, worksheets, and home assignments.
- As this quarter has already passed, we are following the same dates as mentioned in the monthly planner for assessing the students through their day-to-day learning. But in the coming quarters, no fixed dates shall be shared with you.
- You are requested to follow some suggestions given below to assist your ward for the assessment process:
 - ✦ Keep your ward regular in the school and avoid unnecessary leave.
 - ✦ Follow up on the syllabus and activities taken up in the class.
 - ✦ Help your ward in concept recapitulation.

✦ Check all updates, messages, and circulars sent by teachers and school authorities.

✦ Let your ward enjoy coloring, clay modeling, singing, dancing, and several other activities under your supervision.

Your absolute cooperation in this regard is solicited.

- Kindly take note of the activities scheduled in September 2023:

Skill of the month: Motor Skills

Skill Day: 01.09.23, 08.09.23, 15.09.23 and 22.09.23
