SUMMER BREAK ASSIGNMENTS

SESSION: 2024 - 2025

Class – III

Doon Public School

Dear Doonites,

As we head into the summer vacation, we would like to encourage you to make the most of this time for both relaxation and enrichment.

While it's essential to take a break and recharge, it's also an opportunity to engage in activities that stimulate your mind and foster personal growth.

Stay Academically Engaged:

Read books that interest you or are part of your upcoming curriculum. Review and practice subjects, you find challenging to stay sharp.

Stay Physically Active:

Engage in sports, outdoor activities or regular exercise.

Avoid spending too much time on screens; balance with physical activities.

Develop New Skills:

Learn any new hobby or skill such as cooking, gardening, coding, or playing an instrument.

Maintain a Routine:

Keep a consistent sleep schedule to avoid disrupting your body clock.

Stay connected and spend quality time with your family and friends. Create memories, share stories, and cherish these moments together.

Mental Well-being:

Take time to relax and unwind; practice mindfulness or meditation.

Moreover, Vacation work has also been planned for you to explore during the break.

Remember, the purpose of this assignment is not to add stress to your vacation but to encourage you to engage in activities that are meaningful and fulfilling.

The work is designed to be enjoyable yet thought-provoking, helping you to continue learning outside the classroom. Remember, learning doesn't stop when school is out!

Take some time to review your notes from the past months. Reflect on what you've learned, your strengths, and areas where you can improve.

Set some goals for the upcoming Periodic Assessment, based on your reflections.

Have a wonderful holiday, and do collect your experiences, reflections, and any new insights gained during this time.

Last but not the least, celebrate and reflect upon several significant days falling during the Vacation time.

World Environment Day (June 5th):

Remind yourself the responsibility to protect and preserve our environment. Engage in activities that promote sustainability, such as planting trees, reducing waste, and conserving energy. Small actions can have a big impact on our planet's health.

Father's Day (June 16th):

Honour and appreciate the fathers and father figures in your lives. Use this day to express your gratitude and love. A simple gesture, a heartfelt message, or spending quality time together can make this day memorable.

International Yoga Day (June 21st):

Maintain physical and mental well-being through yoga. Take some time to practice yoga, learn new poses, and meditate. Share the experience with your family and friends, and explore how yoga can bring peace and balance to your daily life.

Following these guidelines will help you ensure a balanced, productive, and enjoyable summer vacation.

Team Doon looks forward to hearing about your experiences when we return to school.

Wishing you all a fantastic and rejuvenating summer vacation!

Spish-Splash

Bob loves to swim with all his friends. His best friends are Tom, Harry and Mike. Once he enters the pool, he enjoys playing in the water. He flaps his arms around and tries to swim. He also splashes water on Harry.

Harry says, "Bob, please don't throw water at me!" But Bob finds it very funny. All his friends start to laugh and splash water at each other. In a while, they get out of the water.

Since Bob feels cold he dries himself with a red towel. He wears his clothes and puts on his green shoes. He says "Goodbye!" to his friends and takes the yellow bus home.

Answer the following questions:

- i. Who are Bob's best friends?
- ii. What does Harry say to Bob?
- iii. Why does Bob dry himself with a towel?
- iv. Why does Bob splash water on Harry?

Portfolios Activities - Mandatory Assignment

Self - Introductory Page	For the portfolios to be crafted for the upcoming session 2024-25, students have to create a self-introductory innovative page by using drawing, colour, art or any craft; or a digital page using any graphic design software tool, such as Paintbrush, Tux Paint MS PowerPoint etc. This page should include aspects such as strengths, weaknesses, challenges, uniqueness, motivation, areas of improvement, moments of joy, and ambitions. Remember to bring a hard copy of this on the first day when the school reopens.
Community Work	Embark on a journey of giving back to your community this summer! How do you envision making a positive impact? Whether it's lending a hand at a local shelter, orchestrating a park clean-up, guiding younger minds through tutoring sessions, or aiding a food bank, your efforts matter. Capture the essence of your experiences through photos, weaving them into a vibrant collage that mirrors your commitment in your portfolio.
Tree Plantation	Collect seeds of a particular plant of your choice. Then plant the seeds in the soil and observe its growth. Click the picture of yours with the seed on the very first day (5 th June, World Environment Day) and then the picture with the plant on the very last day of your holidays. Paste these pictures on an A4 size sheet.
Save Water	Make three flash cards showing different ways to Save Water, using Paper Craft for your Port Folio.
