• 🎭 Pretend Play Activity 🎭 - 27.09.24

- The details are as follows:
- The students must wear an attire depicting the theme given below. Students can give an introduction in **English or Hindi** medium using appropriate **props**.
- It is **mandatory** for all the students to participate in the Pretend Play in proper attire as per the themes given below:
- **Nursery Junior- Fruits.** The class incharge will share a list of fruits on the class whatsapp group. Each parent can choose any one fruit as per the liking of their ward for the pretend play and inform on the group. This selection process will be conducted shortly in the class whatsapp group.
- **Nursery & LKG: Any object/thing around us.** For example: "Pencil". "Hello, everyone! I'm a pencil, and I'm ready to help you write and draw. Every morning, I wake up in the pencil case, waiting for someone to pick me up. I make beautiful letters & pictures on the paper.

- 
- **UKG: Our Helpers.** For example The student pretends to be a doctor in a clinic. The student welcomes their "patients" with a friendly greeting, saying, "Hello! How are you feeling today?". The student asks the "patient" to describe their symptoms, listens to their heartbeat with the toy stethoscope, checks their temperature, and might even pretend to take their blood pressure. They offer advice, such as "You need to drink lots of water and rest," and might prescribe pretend medicine, saying, "Take this three times a day."
 - The class incharge will share a list of roles for the theme on the class WhatsApp group. Each parent can choose any one role as per the liking of their ward for the pretend play and inform on the group. This selection process will be conducted shortly in the class WhatsApp group.

- Please find below some **motor skills based activities** specially curated for your ward to be taken up at home:
- **Playdough Fun:** Encourage your ward to roll, pinch, and mold playdough into different shapes. This helps develop fine motor skills and strengthens hand muscles.
- **Pasta or Cereal Sorting:** Give your child a variety of pasta shapes or cereals and have them sort them into different bowls. They can use their fingers or tweezers, which will help develop their fine motor skills.
- We are delighted to announce that **Ms. Preeti, Class Teacher of UKG** has been chosen as our **Teacher of the Month for September 2024**. Her passion, patience, and innovative teaching methods have made a lasting impression on our kindergarteners. We thank her for the exceptional work and love she brings to the classroom every day!

एक मोटा हाथी

एक मोटा हाथी झूम के चला,
मकड़ी के जाल में जाके वो फंसा,
जाल को देखा, देख के डरा,
दूसरे हाथी को इशारे से बुलाया
इधर आ, इधर आ, इधर आ
दो मोटे हाथी घुमने चलें
गहरी नदी में जाके वो फंसा,
खुद को डूबते देख के डरें
तीसरे हाथी को इशारे से बुलाया
इधर आ, इधर आ, इधर आ
तीन मोटे हाथी सैर को चलें,
शिकारी के पिंजरे में जाके वो फंसें,

Buds 'N' Blooms

शिकारी को देखा, देख के डरे
चौथे हाथी को इशारे से बुलाया
इधर आ, इधर आ, इधर आ
चार मोटे हाथी झूम के चलें,
किचड़ में जाके सब वो गिरे,
खुद को देखा, देख के डरे
पाँचवें हाथी को इशारे से बुलाया
इधर आ, इधर आ, इधर आ
पाँच मोटे हाथी मस्ती में चलें
एकता ने उनको खतरों से बचाया
सूंड हिलते आगे वो बढ़े
मस्ती में अपनी चलते वो रहे
हा हा हा, हा हा हा, हा हा हा

THE SUN AND THE MOON

The sun shines on us by day,
so we can grow in every way,
plants, animals and birdies too
they need sun as me and you,

The moon shines bright
with a silvery light
oh don't you think
it's very pretty sight
yes of course
it's a dark dark night.
