 - **Memory Matching Game (Object Recall): Class I**
 - **Materials required:** Tray, 10-12 small objects (pencil, eraser, toy, key, etc.), cloth to cover objects.
 - **Instructions:** Show your child a tray with the objects for 1 minute. Cover the tray with a cloth. Ask him/her to write or say as many objects as can be remembered. You can increase the difficulty by adding more objects or reducing the viewing time.
 - **Class II**
 - **Materials required:** Various objects or pictures (different shapes, colors, or categories like animals, vehicles, fruits).
 - **Instructions:** Give your child a set of objects or pictures. Ask him/her to sort these items into categories (e.g., color, size, type). Once he/she would have sorted the items, ask why he/she has placed certain items together. This could foster memory, attention, and reasoning skills. Share the evidences and impression of the activity conducted at home, through fine pictures.

- **Solo Dance Competition: 25.10.24 (FINALS)**
- The selection rounds will take place as follows:
- Class I: 22.10.24

- Students are encouraged to wear costumes/ relevant attire and use props related to their chosen song.
- Please ensure that the selected song is appropriate for young children, and that the lyrics are not obscene in any manner.
