- 
- An outline of the upcoming activities for **classes I and II in November 2024:**
  - **Skill of the Month: Creative Skills**
  - **Overview:** Throughout November, students will focus on developing their creative skills. Activities will be designed to enhance their ability to express themselves through art, craft, and storytelling, fostering an appreciation for innovative thinking and imaginative expression.
  - **Skill Days: Dates:** 8th November and 22nd November (Fridays)
  - **Details:** On these days, students will engage in hands-on projects such as drawing, painting, or crafting simple objects. These activities aim to allow students to explore their creativity and share their unique ideas with peers.
  - **November Birthday Bash: 30.11.24**
  - **Theme:** Autumn/Fall
  - **Details:** Students with birthdays in November will have a special celebration with an autumnal theme. The celebration will include activities, treats, and decorations reflecting the beauty of fall.
  - **Dress Code:** Children are encouraged to wear autumn-inspired colors—brown, orange, and yellow—symbolizing the season.

- **Guru Nanak Jayanti Celebration (13th November)**

- **Overview:** This celebration will teach students about the life and teachings of Guru Nanak Dev Ji, the founder of Sikhism, promoting values such as humility, kindness, and equality.

- **Activities:**

- A storytelling session on Guru Nanak's life/watching a video reflecting upon the moral life lessons of Guru Nanak Dev Ji. A discussion to inspire students to practice kindness and unity in their lives.

- **Children's Day Celebration(14th November)**

- **Overview:** A day dedicated to celebrating childhood, recognizing children's rights, and inspiring them to dream big.

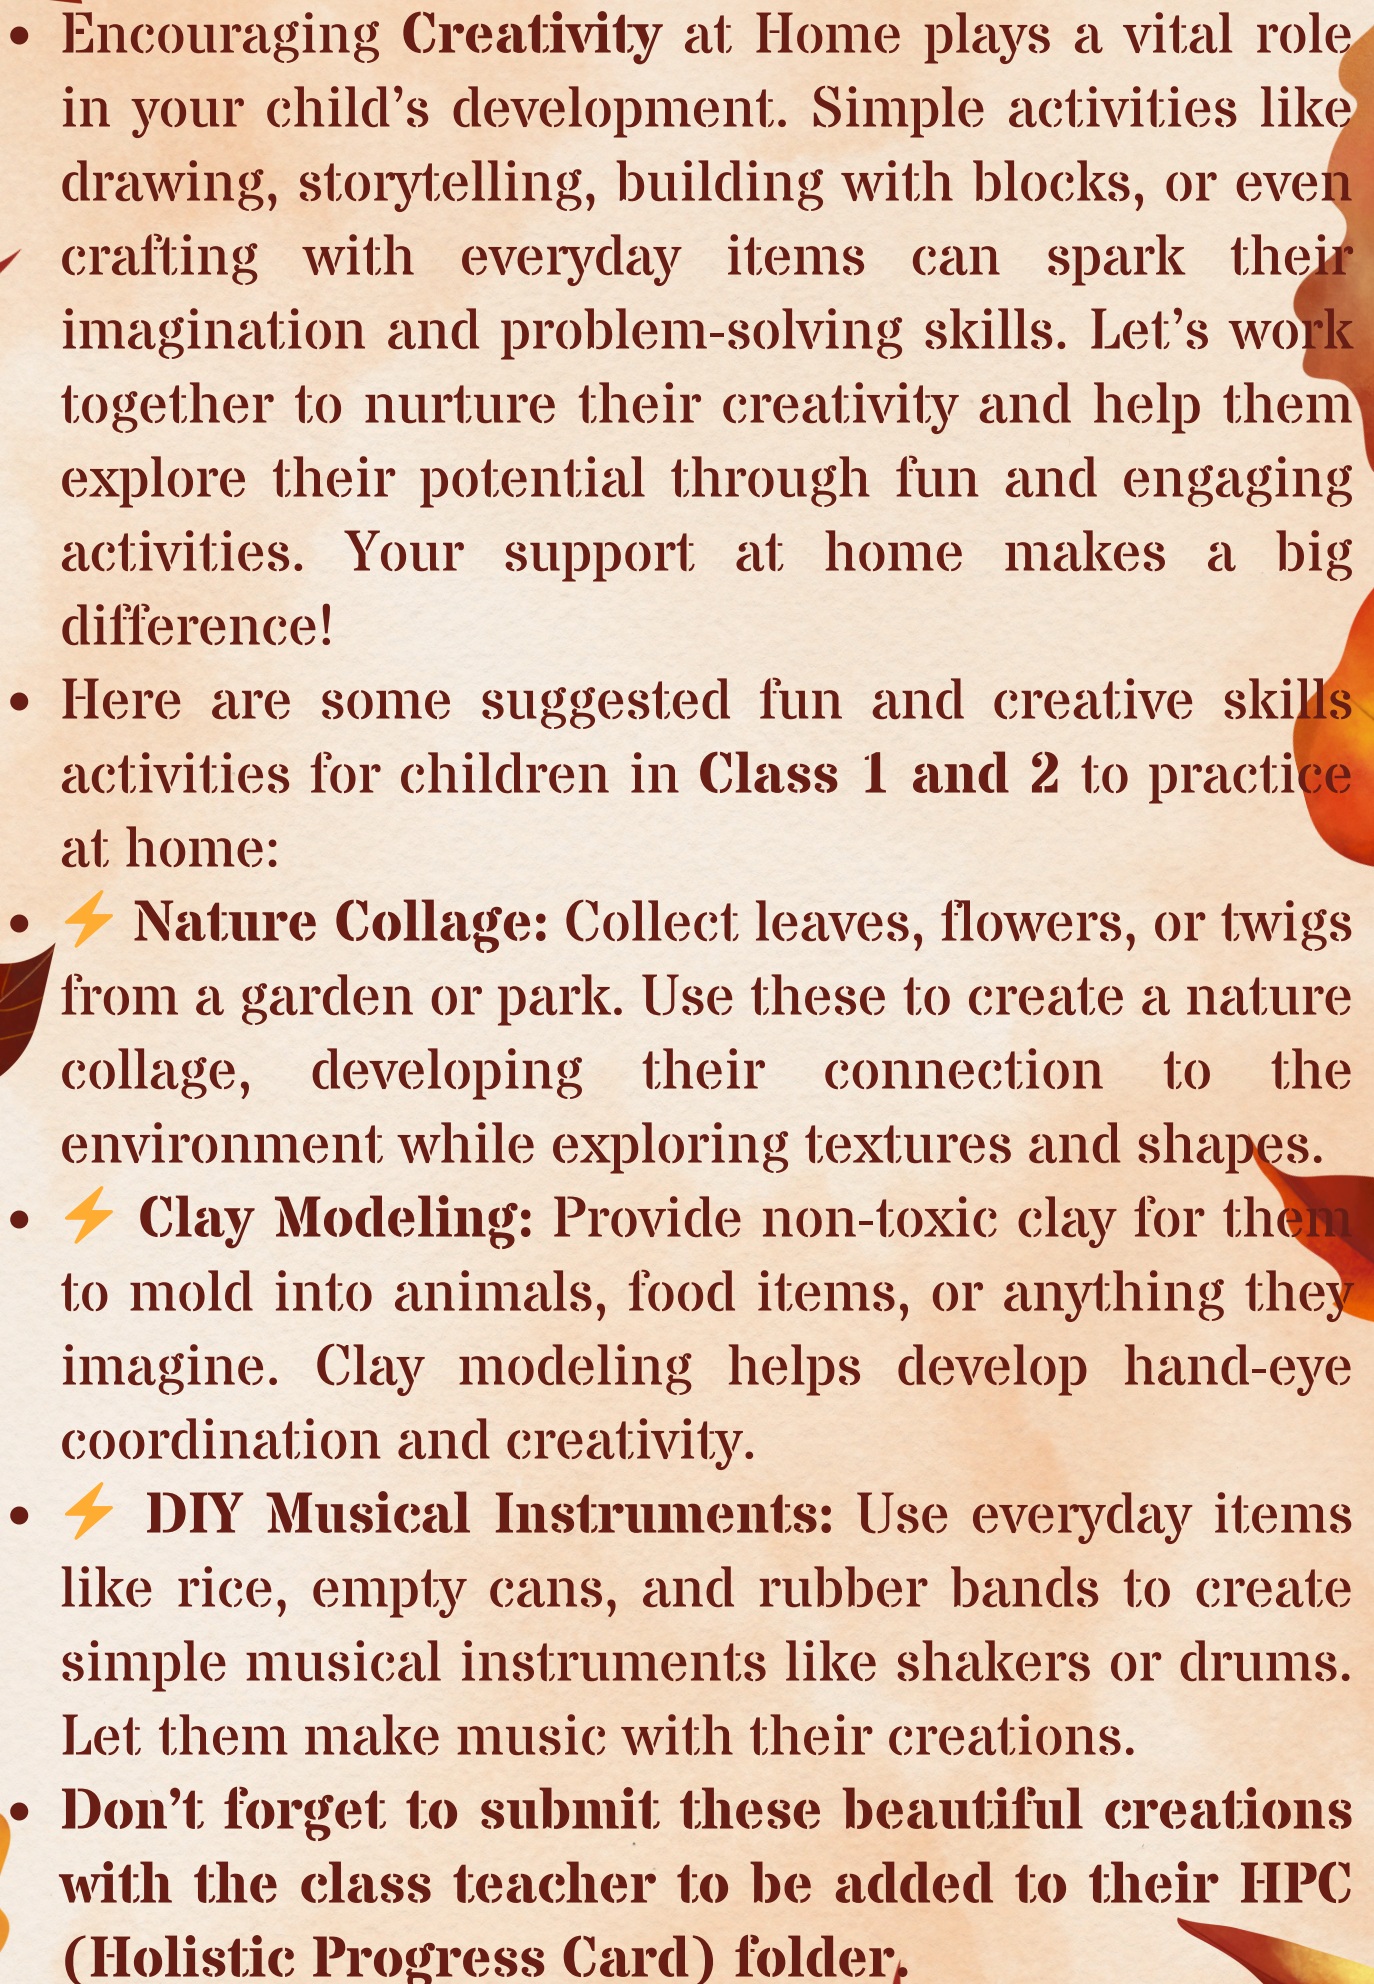

- **Activities:**

- A fun-filled day with games, music, and dance. A small performance or skit by teachers to entertain and surprise the children.

- **Inter- House Hindi Storytelling Competition**

- This is to apprise you about an upcoming Hindi storytelling Class activity- cum- Inter- House Competition, focusing on Amar Chitra Kathayen for the Classes I and II, scheduled for November 11, 2024.

- This Class activity aims to enhance communicative skills through storytelling and will serve as an audition round for the forthcoming Inter-House Hindi Storytelling Competition.
- Students will select a story from **Amar Chitra Kathayen** and bring it to life through expressive narration.
- From this audition, the best storyteller from each house will be chosen to represent their house in the final round.
- **KEY DETAILS:**
- **Theme-** Amar Chitra Kathayen
- **Audition Date-** Monday, November 11, 2024
- **Inter- House Competition Date-** Wednesday, November 13, 2024
- **Selection Process-** Only one best performing student from each house will advance to the final round.
- **Performance Enhancement:** Students are encouraged to infuse creativity using costumes and props only on the final performance day i.e Wednesday ; 13.11.24.
- **DISCLAIMER:** We want to keep you informed that, as students and teachers actively prepare for our upcoming Annual Day celebrations, the planned syllabus for Grades I and II may see a slight delay in completion. However, we are dedicated to balancing academic goals with the unique, valuable experiences that this event brings. Thank you for your understanding and continued support.

- 
- Encouraging **Creativity** at Home plays a vital role in your child's development. Simple activities like drawing, storytelling, building with blocks, or even crafting with everyday items can spark their imagination and problem-solving skills. Let's work together to nurture their creativity and help them explore their potential through fun and engaging activities. Your support at home makes a big difference!
  - Here are some suggested fun and creative skills activities for children in **Class 1 and 2** to practice at home:
    - ⚡ **Nature Collage:** Collect leaves, flowers, or twigs from a garden or park. Use these to create a nature collage, developing their connection to the environment while exploring textures and shapes.
    - ⚡ **Clay Modeling:** Provide non-toxic clay for them to mold into animals, food items, or anything they imagine. Clay modeling helps develop hand-eye coordination and creativity.
    - ⚡ **DIY Musical Instruments:** Use everyday items like rice, empty cans, and rubber bands to create simple musical instruments like shakers or drums. Let them make music with their creations.
    - **Don't forget to submit these beautiful creations with the class teacher to be added to their HPC (Holistic Progress Card) folder.**
