SESSION: 2025 - 2026

Class - VII

Dear Doonites

As the summer sun rises high,

And the school gates close for a while,

it's time for a well-deserved pause—your summer vacation is here!

This is the perfect season to relax, refresh, and recharge but also to grow, explore, and discover new things about yourself and the world around you.

While you enjoy the break from the regular school routine, we encourage you to make your days meaningful by blending fun with a bit of learning, movement, and creativity.

Stay Academically Curious:

Pick up books that spark your imagination or revisit topics that challenged you. A little daily revision will go a long way in keeping your mind sharp and ready.

Stay Active:

Step outside, play a sport, go cycling, or dance like nobody's watching! Keep your body moving and your energy flowing. Balance screen time with green time.

Discover Something New:

Learn a hobby—be it painting, coding, gardening, music, or cooking. Every new skill adds a little sparkle to your personality.

Stick to a Simple Routine:

Rest well, wake up fresh, and make time for your family and friends. These little things help you create cherished memories and meaninaful connections.

Take Care of Your Mind:

Unplug, breathe, reflect. Try meditation or yoga to find calmness within and balance in life.

Vacation Work:

Don't worry—it's not about pressure or grades. It's about joyful learning, creativity, and exploring subjects in a relaxed, thoughtful way. Use this as an opportunity to reflect, revise, and get ready for the next phase with confidence.

Special Days to Celebrate and Reflect:

June 5 - World Environment Day: Be a young guardian of our planet. Plant a tree, say no to plastic.

June 16 - Father's Day: Celebrate the love and support of your dad or a father figure. A heartfelt gesture or a simple 'thank you' can mean the world.

June 21 - International Yoga Day: Discover the magic of yoga.

Practice, stretch, breathe—and feel the peace within you.

Dear students

Make this vacation not just a break, but a beautiful chapter in your life filled with joy, insight, and self-growth. Collect moments, not just marks.

We can't wait to hear your stories, see your creativity, and celebrate your discoveries when you're back!
