- Below are some specially curated activities that can be taken up at home to support this goal:
-  **Helping Hands**
- Encourage your child to help in simple household tasks like folding clothes, watering plants, or setting the table. Afterwards, appreciate their effort. This builds responsibility and respect for work.
-  **Sharing is Caring**
- Ask your child to share a toy, snack, or book with a sibling or friend. Discuss how sharing makes both people happy. This nurtures kindness and generosity.
