Buds N Blooms

**Dear Parents,
Greetings!**

The pictures of the class activities which were conducted in the month of November are being shared on the school website:

- Kindly take note of the activities scheduled in **December 2025**:
- The month of December is dedicated to **Mathematical Exploration** for our young learners.
- **CURRICULAR GOAL 9:** Children develop mathematical understanding and recognize the world through shapes, quantities, and measures.
- **Skill of the Month:** Mathematical Exploration
- **Skill Days:** 12.12.25, 19.12.25
- **Indian Navy Day:** 04.12.25
- **Human Rights Day:** 10.12.25
- **World Energy Conservation Day:** 15.12.25
- **National Mathematics Day:** 22.12.25
- **Communicative Skills Activity:** 16.12.25 to 19.12.25.

- **Christmas Celebration & November Birthday Bash: 24.12.25**
- **New Year's Celebration & December Birthday Bash: 30.12.25**
- The following activities can be taken up at home to support this month's curricular goal:
- **Shape Detectives:** Encourage your child to look for shapes around the house — circles in plates, rectangles in doors, squares in tiles, or triangles in hangers. Ask them to name the shape and describe its sides.
- **Measure & Compare Hunt:** Give your child spoons, pencils, or small blocks and ask them to measure objects at home—like the length of a book or the height of a cup. Let them compare which object is longer, shorter, heavier, or lighter.
