- Kindly take note of the activities scheduled in **February 2026**:
- The month of **February** is dedicated to **Reading & Writing skills** for our young learners. It aims to nurture a love for reading and help our little ones understand and enjoy words in their everyday lives.
- **CURRICULAR GOAL:** Children develop fluency in reading and writing in two languages (English & Hindi).

- **Skill of the Month: Reading & Writing skills**
- **Skill Days: 13.02.26, 20.02.26**
- **Birthday Bash: 27.02.26**
- **Birthday Theme: Nature's Beauty**
- **Colours: Green & yellow**
- **Due to the reduced number of working days in the month of January the Stars of the month and Class activities planned for January will be continued in the month of February.**
- **You are requested to provide 1 Chart (any colour) by Wednesday, 11.02.26, to the Class In charge.**

- Below are some specially curated activities that can be taken up at home:
- **Letter Hunt:** Encourage your child to find letters around the house—in books, labels, or packaging. Ask him/her to name the letters and the sounds they make. You can also ask him/her to write the letters on a sheet of paper to reinforce recognition and writing skills.
- **Word & Picture Match:** Show your child simple words alongside pictures and ask him/her to match the word with the correct image. Encourage him/her to read the word aloud and try writing it themselves.
