**Dear Parents,
Greetings!**

The pictures of the class activities which were conducted in the month of February 2026 are being shared on the school website:

<https://doonpublicschoolpkl.com>

while the videos are being shared through the below-mentioned Google drive link:

CIRCUS

- Kindly take note of the activities scheduled in **March 2026**:
- The month of March 2026 is dedicated to **Artistic Expression** for our young learners. It aims to nurture creativity and imagination, encouraging our little ones to express their thoughts, feelings, and ideas through art, music, movement, and various creative activities in their everyday learning experiences. 🎨 ✨
- **CURRICULAR GOAL:** Children develop abilities and sensibilities in visual & performing arts.

CIRCUS

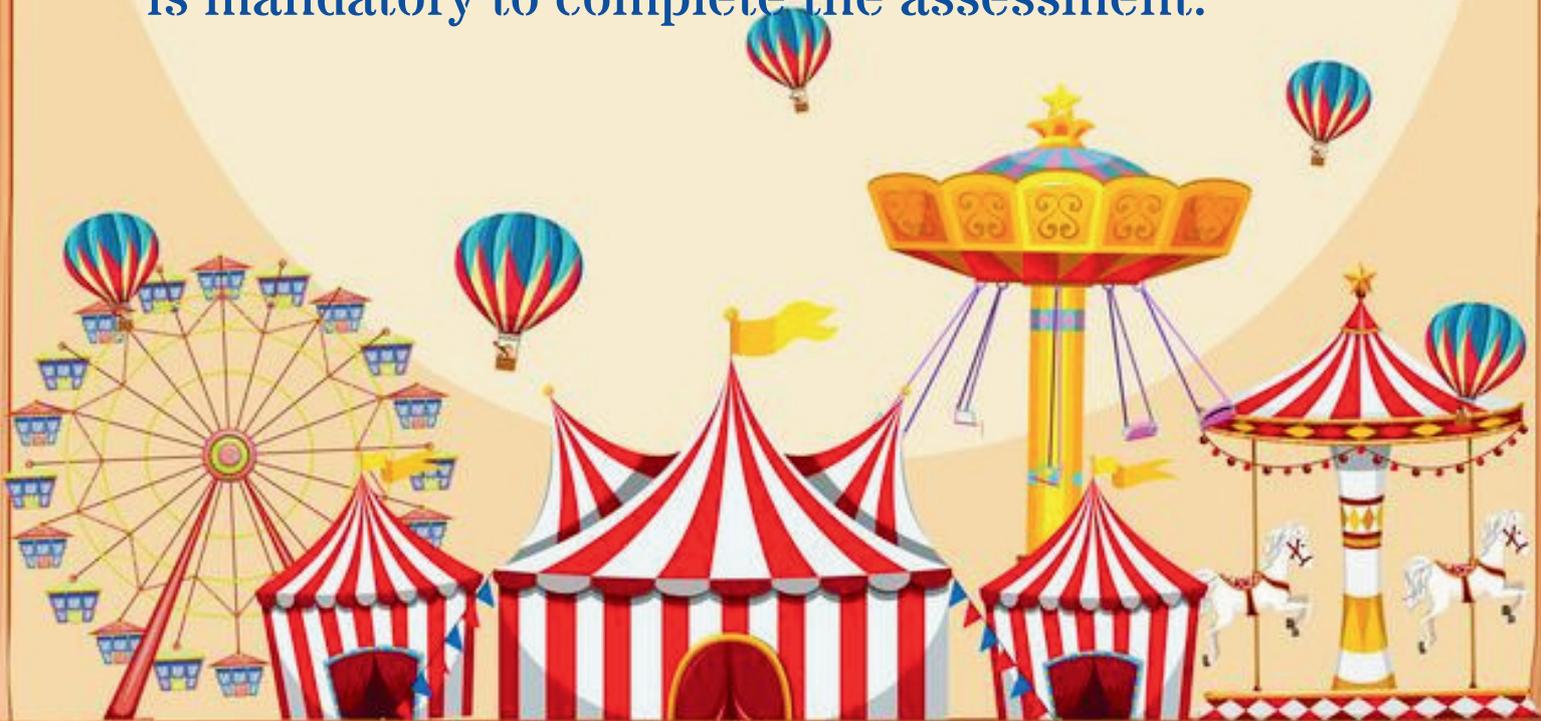

- **Skill of the Month: Artistic Expression**
- **Skill Days: 06.03.26, 11.03.26**
- **Birthday Bash: 13.03.26**
- **Birthday Theme: Circus**
- **Colours: Red, blue & white**
- The school has implemented a holistic approach to assess your ward's progress under the New Education Policy (NEP 2020). The Progress Card, i.e. HPC – Holistic Progress Card for 2025-26, will reflect a more comprehensive view of his/her development.

CIRCUS

- As part of this initiative, we kindly request you to fill out the Google Form to provide us with your assessment for your ward's performance in various activities and curriculum covered in Term II.
- <https://docs.google.com/forms/d/e/1FAIpQLSeBfkRUskYEMFnNeva7EgBLixVg-9H0ZTk8gJboQ3Sig0S6Cw/viewform?usp=publish-editor>
- Your feedback plays a vital role in understanding the overall development of your ward. Therefore, it is mandatory to complete the assessment.

CIRCUS

- Additionally, you are requested to send us coloured prints of photograph 📷 of your ward (on photo paper) doing one of each of the following curricular goal-based activities at home.
- - Nature Nurture month
- - Logical thinking month
- - Mathematical Exploration month
- - Communication skills month
- - Reading & Writing month
- - Artistic expression month

CIRCUS

- Several activities for these skills were conducted in school. Some activities were also suggested & shared in Buzz, the monthly newsletter.
- Kindly do not share/ forward photos virtually. The photographs should be preferably in landscape orientation and of 6 × 4 inches (or postcard size). If found unsuitable the pictures will be returned.

CIRCUS

- Below are some specially curated activities that can be taken up at home:
- 🎵 **Music & Rhythm Time:**
- Encourage your child to sing their favourite rhyme or create their own simple song. You can also clap different rhythms and ask him/her to repeat them. Let him/her use household items (like a spoon and bowl) as simple musical instruments to explore sound and rhythm.
- 🎪 **Creative Movement & Dance:**
- Play soft music and encourage your child to express feelings through movement. Ask him/her to move like a butterfly, robot, tree in the wind, or their favourite animal. This builds body coordination and imaginative expression.
