- **Skill of the Month:** Nature Nurture

- **Birthday Bash:** 31.10.25
- **Birthday Theme:** Strawberries
- **Colours:** Red & green

- **Indian Airforce Day: 08.10.25**
- **World Students' Day: 15.10.25**
- A Communicative Skills Activity will be conducted on the occasion of World Students' Day. Students will talk about what they want to be when they grow up. Teachers will guide them to speak a few lines about their aspirations. This activity will be conducted from 15th to 31st October.

- Below are some specially curated activities that can be taken up at home to support this month's curricular goal:
- **Plant a Friend**
- Encourage your child to plant a seed in a pot or garden and take care of it daily by watering and checking its growth. Talk about how plants need love and care, just like we do.
- **Nature Walk Treasures**
- Take your child for a short walk in the park or around your home. Ask them to observe leaves, flowers, or stones and collect one or two natural objects (without harming nature). Later, discuss what they saw, heard, and felt.
