**Dear Parents,
Greetings!**

- Kindly note that the activities scheduled in October 2026 are mentioned in the school planner.
- **October Birthday Bash: 30.10.2026**
- **Theme: Magic Show Party**
- As we successfully wrap up our revision and consolidation of Themes 1–4, we would like to share a few updates for the month ahead.
-  **No Learning Outcome Sheet**
- Because our recent focus has been entirely on revising previous concepts rather than introducing new ones, there will be no Learning Outcome Assessment Sheet sent home for this month.
-  **Welcome to Theme 5!**
- We are excited to announce that we will be starting Theme 5 this month! To kickstart this new learning journey, a special Theme 5 Booklet will be provided to the students so they can practice the new concepts at home.
- Thank you for your continuous partnership in your child's learning journey.
