Buds & Blooms

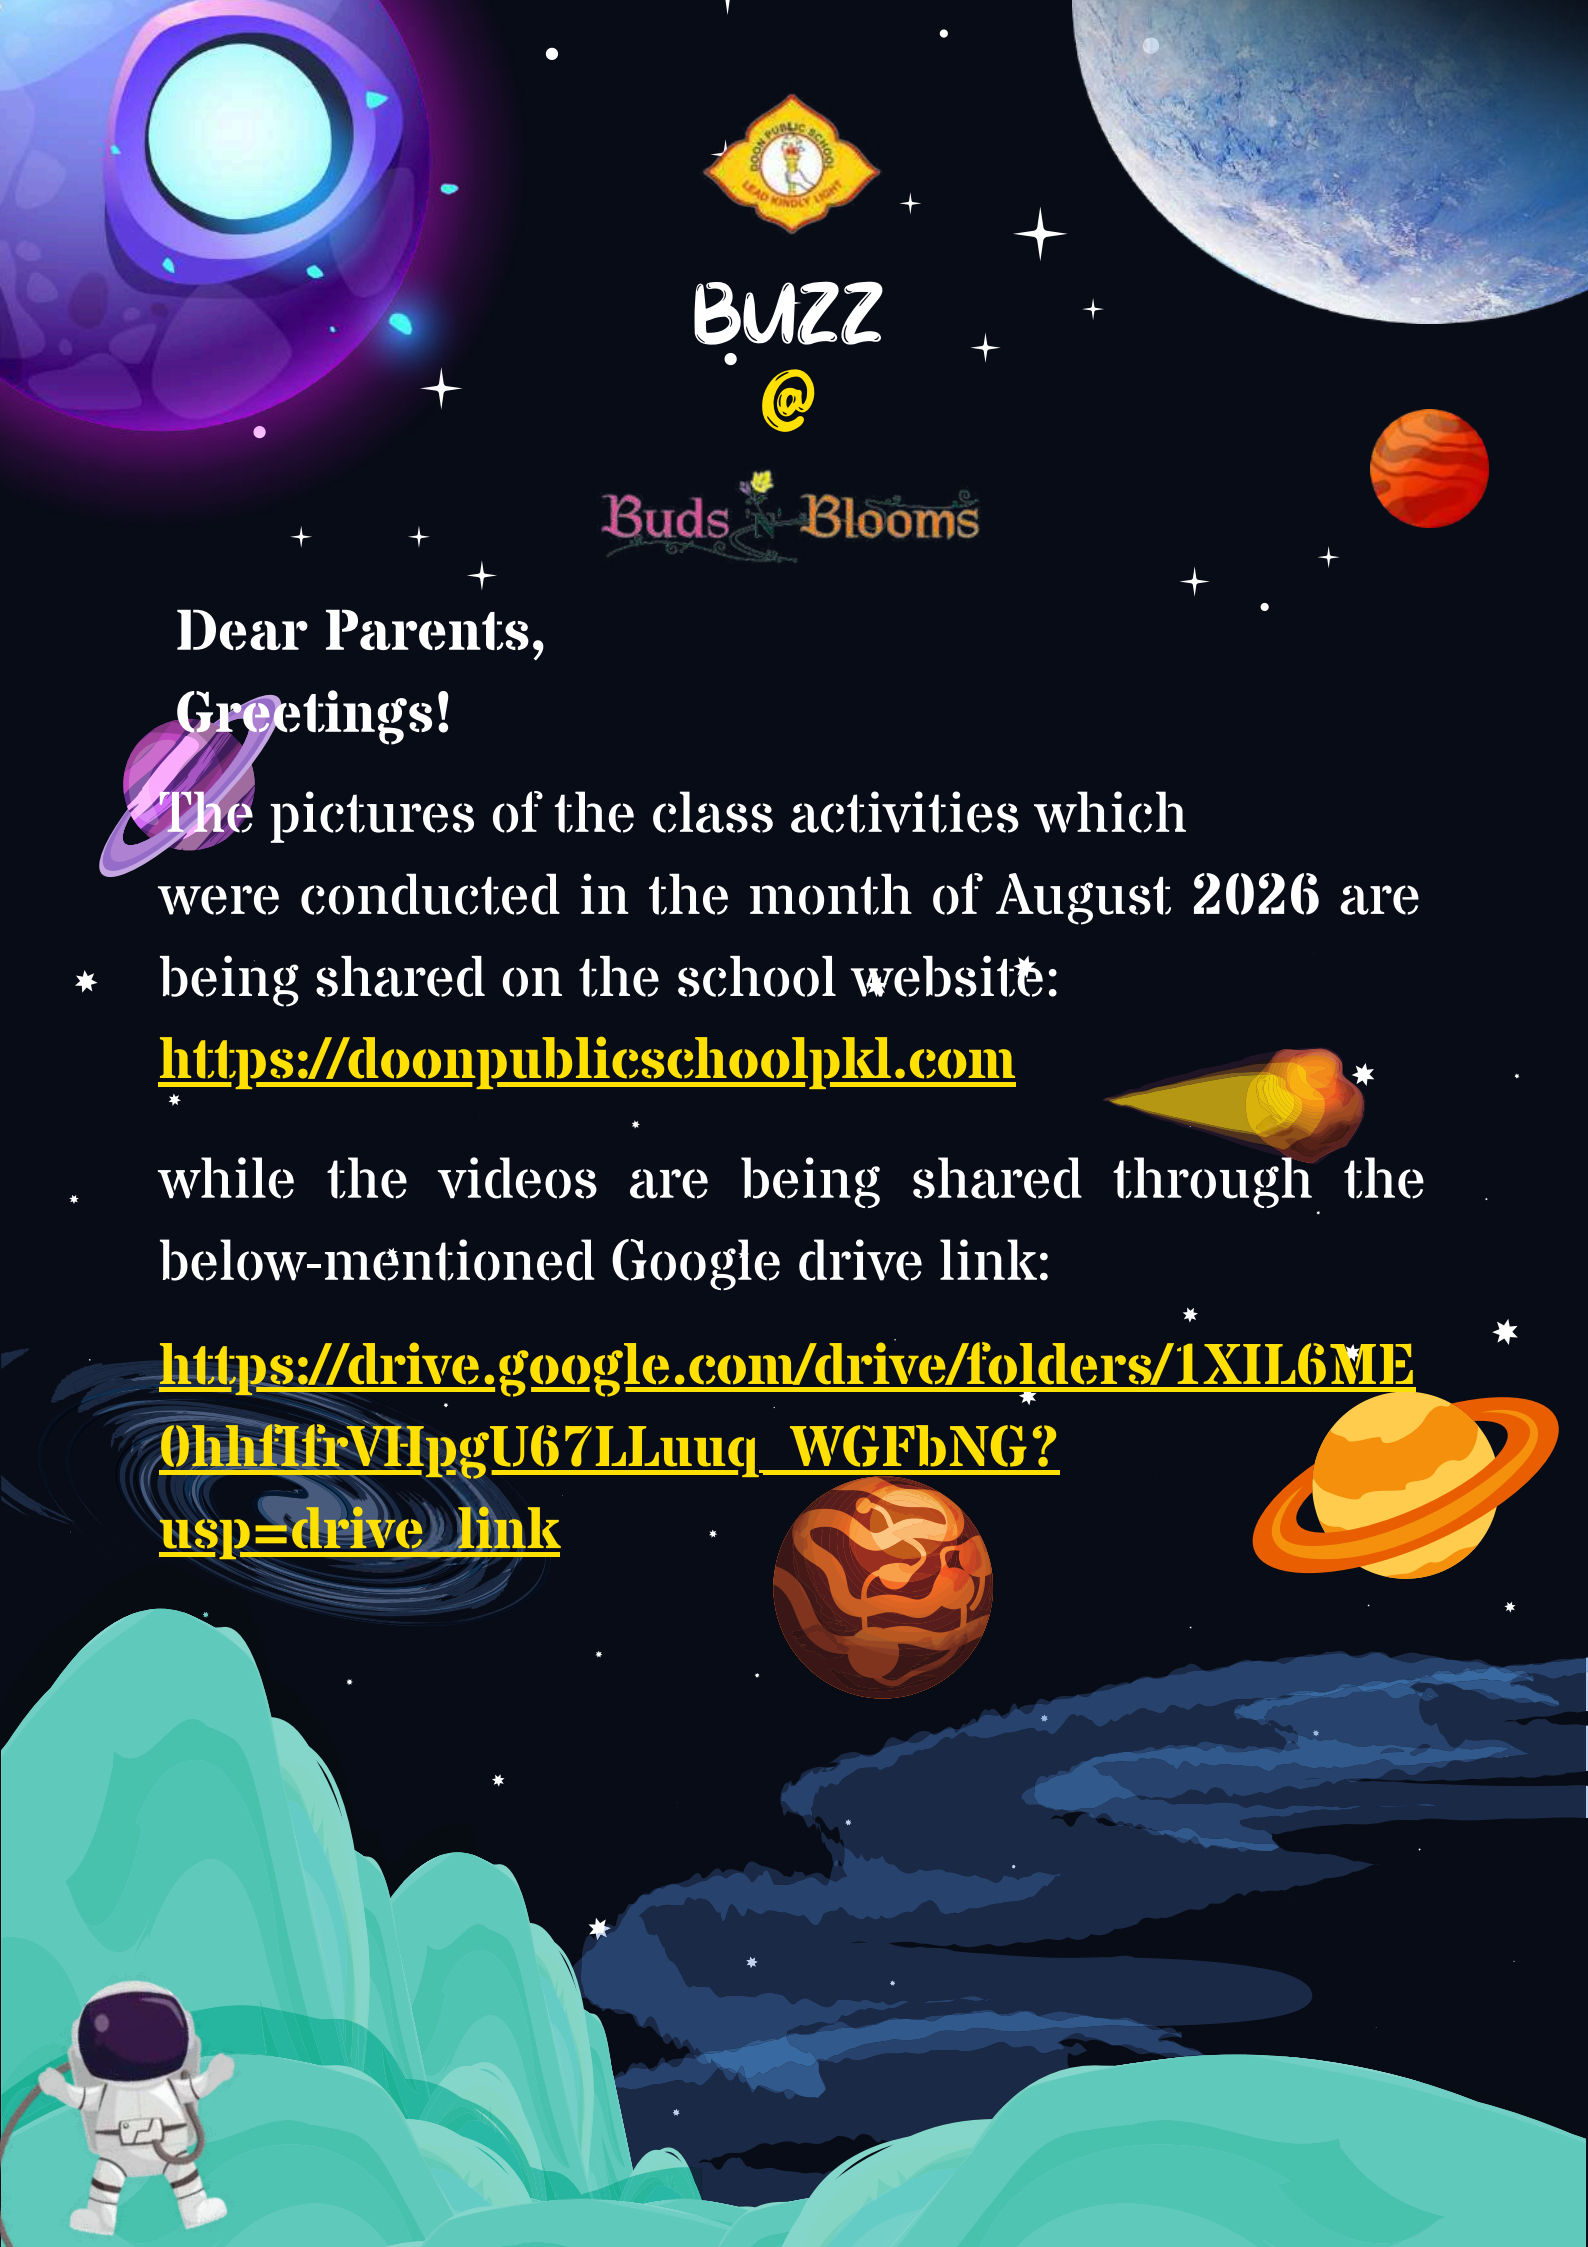

Dear Parents,
Greetings!

The pictures of the class activities which were conducted in the month of August 2026 are being shared on the school website:

<https://doonpublicschoolpkl.com>

while the videos are being shared through the below-mentioned Google drive link:

[https://drive.google.com/drive/folders/1XIL6ME0hhfIfVHpgU67LLuq_WGFbNG?usp=drive link](https://drive.google.com/drive/folders/1XIL6ME0hhfIfVHpgU67LLuq_WGFbNG?usp=drive_link)

- Kindly note that the activities scheduled in September 2026 are mentioned in the school planner.
- September Birthday Bash: 30.09.2026
- Theme: Space Adventure

- We are happy to share that your child's Theme 4 Worksheets for the month of August have been sent home in their bags.

- **Kindly note:**
- This month, we are not introducing Theme 5. Instead, the children will be given dedicated time to recapitulate and strengthen the learning covered in Themes 1–4. Therefore, no new Theme 5 worksheets have been provided.

LEARNING OUTCOME SHEET

- Please fill out the Learning Outcome Sheet available in the school chronicle of your ward. It should be completed based on your observations of your child's learning and understanding at home.

• Kindly assess your child's progress under the following three categories:

• **Independent:** The child can do the topic/concept independently.

• **With Support:** The child can do the task with a little guidance.

• **Working Upon:** The child is still developing the particular skill/concept.

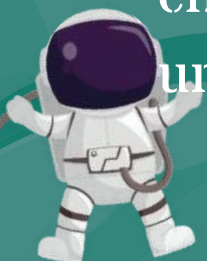

• The completed sheet must be sent back to school by Thursday, 3rd September 2026.

• Important:

Our Approach Towards Practice & Corrections

• At Buds 'n' Blooms, we believe that practice is a process, and mistakes are a natural and important part of learning.

• Think of a child as a player preparing for a game. A player does not become better by being corrected after every single move; instead, they practice, try different ways, learn from their attempts and gradually improve their skills. Similarly, our children need opportunities to try, make mistakes, understand, practice and try again.

- You may notice that teachers have not marked corrections on every worksheet. This is intentional. We want children to approach their work with confidence and curiosity rather than worrying about getting every answer right.
- Our teachers continuously observe each child's progress and maintain records of developmental skills such as pencil grip, fine motor skills, writing readiness, concept understanding and independent working skills. Based on these observations, individual support and guidance are provided during classroom activities.
- We request you to follow the same approach at home. Instead of focusing only on correcting the worksheet, please encourage your child to attempt independently, appreciate their effort, practice the areas that need strengthening and celebrate their progress.
- Let us work together to make revision a joyful and meaningful learning experience for our little learners. ❤️

September Lesson Plan: Nursery

Monday	Tuesday	Wednesday	Thursday	Friday
	1 English: recap sounds Math: '6'-story/symbol Theme: my school Hindi: story (चिट्ठू का स्कूल)	2 English: s,a,t,i - NB Math: '6'- tracing - NB Theme: my class	3 English: s,a,t,i - NB Math: '6' – prewriting (w/s 1) Theme: my friends Hindi: rhymes	4 Krishan Janmashtami
